Your gentle face and patient smile  
with sadness we recall  
You had a kindly word for each and  
died beloved by all  
The voice is mute and stilled the heart  
that loved us well and true  
How bitter was the trial to part from  
one so good as you  
You are not forgotten loved one  
though will you ever be  
As long as life and memory lasts We  
will remember thee  
We miss you now our hearts are sore  
as time goes by we miss you more  
Your loving smile your gentle face no  
one can fill your vacant place.
